

March 1, 2017

Meeting via webinar

I. Review of Draft Work Plan

II. Other business:

1. Travel memo for Columbus meeting

- Tentatively 8:00 a.m. Wednesday, August 30 to 12:00 p.m. Friday, September 1
 - Participate in "Team Up ODOT" innovation showcase event on August 30
 - 1½ days for presentations and business meeting
 - Friday afternoon/evening for travel home

2. Budget

- Approximately \$21,000 for February to June 2017

3. Review of AASHTO SCOM survey due today

- One significant revision requested so far, from Sandi Sauter, Maryland, to add a third question category:

"Please identify innovations in your agency in the use of **technology for maintenance operations** (asset/maintenance management systems, work order tracking, work dispatch, route optimization, AVLs, business intelligence software, maintenance dashboards, etc.)."

4. Diana Clonch presentation

- Asked to give presentation from TRB at "The Evolving Surface Transportation Maintenance and Operations Workforce Part II: Developing a More Versatile Workforce Through Enhanced Training and Technology"
